

PROJECT DELIVERY GUIDELINES

LOG OF DOCUMENT CHANGES:

The Project Delivery Guidelines suite of complementary documents is actively maintained and updated on a regular basis. The current version of any of the PDG documents is always available for download from the P F & D webpage at <https://properties.curtin.edu.au/workingwithus/guidelines.cfm> .

If it is not possible to obtain the current version for any reason, readers may use the following log of changes to understand the differences between an older, redundant printed version of the guideline and the current version. Note that the current version of the guideline always take precedence over any other version and it is incumbent on the reader to always comply with the requirements of the current version.
